Learn, Labour and Serve 74th Anniversary 2020

From the Desk of the Principal

I express my profound gratitude and best wishes to the parents, students, teachers, alumni and all the other stakeholders who extend their tireless effort and support to the growth of Dhanamanjuri College of Arts, Imphal to become a constituent college of Dhanamanjuri University, Manipur. The college retains the legacy of imparting quality education and academic excellence in the Arts stream incorporating the changing trends of interdisciplinary approach in teaching and other academic activities. From this academic session of 2020-2021, the college begins to adopt the Choice Based Credit System as a part of Dhanamanjuri University which has started to adopt CBCS in its M.A. courses from the beginning, the 2018- 2019 academic session under University Grants Commission guidelines.

At the crossroad of traversing into an academic environment having a faster growth in performance, excellence and achievement, the college has new challenges to provide access of quality education to all irrespective of class, gender, religion and group in this transitional period. The current pandemic of Covid-19 posing a lot of difficulties has increased the challenges in its journey of imparting quality education in the State. Some of these new challenges have been coped with the support of the institution and the teachers by conducting online classes. The college has started to provide the aid of ICT facilities to both the students and faculty members in the departments, classrooms and the library.

At this moment of change and new challenges, I welcome the aspiring students who seek admission to this college. I hope Dhanamanjuri College of Arts, Imphal will open to you a broader horizon of knowledge and freedom. I assure you the institute will extend its best to mould you to become creative, competent and well-disciplined citizens.

Once again I wish you all the best.

INTRODUCTION

Dhanamanjuri College, originally started with Arts stream, is located at the heart of Imphal city, the capital of Manipur, the land of Sangai and Shirui Lily. It has an illustrious saga of academic brilliance in the history of higher education in Manipur. Since its inception and blessed with the bounty of the then Maharani of Manipur, Dhanamanjuri Devi, this premier College of the state has been the alma mater of many an intellectual and individual of high professional calibre, forming the cream of Manipuri society. It was established in 1946 under the patronage of the then queen Dhanamanjuri Devi. The College grew up in size and enrolment with the introduction of Science subjects in 1951 and Commerce in 1954. The imparting of B.T. course started in 1959. However, the faculty of B.T. was soon separated to become a full-fledged Post Graduate Teacher Training College in 1972 now renamed as D.M. College of Teacher Education.

The growing prospects of the College came to outgrow the prevailing size and enrolment, as a result of which, by 1975, D.M. College was bifurcated into D.M. College of Science and D.M. College of Arts and Commerce. With the passage of time again, an earnest call for a separate Commerce College led to its further bifurcation into D.M. College of Arts and D.M. College of Commerce on August 6, 1996, thereby witnessing the birth of D.M. College of Arts as a distinct entity, with its motto: Learn, Labour and Serve.

D.M. College of Arts continues to maintain academic excellence in the history of higher education in the state. The pre-eminence in the austere splendor of the original spirits, the institution has been witnessing a larger pre-admission rush, particularly of the students who are truly willing to learn. The holistic approach of the sincere, serious, committed and devoted teachers, who take teaching as a prime duty of life tend to substantiate the actual claim for excellence.

Now, with the opening of Post Graduate Courses in Education and English in tune with the 70th Anniversary of the College since 2016, D.M. College of Arts shall fulfill not only the long-felt need of the society but also generate the value-added services towards the overall health and progress of higher education in the state of Manipur. The College celebrated its Diamond Jubilee in 2006, the year the National Assessment and Accreditation Council (NAAC) awarded B+ grade to the College.

DHANAMANJURI UNIVERSITY

Dhanamanjuri University (D. M. University) has come into existence during the current year under “The Dhanamanjuri University Act, 2017” which came into force on the 6th of April, 2018 through a notification in Manipur Gazette published by the Department of Higher and Technical Education, Government of Manipur. “The Dhanamanjuri University Bill, 2017” was passed on the floor of Manipur Legislative Assembly on 3rd August, 2017. The University was established under the National Scheme of Rashtriya Uchchar Shiksha Abhiyan (RUSA).

Dhanamanjuri University is a long cherished dream of our founding fathers and Maharani Dhanamanjuri, the Mother Spirit in the birth of this seat of learning, translated into action. Manipur, an ancient Kingdom, had a composite traditional system of education in the field of warfare, martial arts, games and sports, culture and many other schools of thought training the people in various professional activities in ancient forms. The people have carried down this legacy of quest for knowledge and civilized existence since time immemorial. Ancient works of knowledge in the original scripts of Manipur stand as testimony to the nurturing of the idea of a University in the minds of our forefathers and fore-

mothers. The state has celebrated the tradition of a purely intellectual pursuit which conserves the original ethos of the land and its people while receptive with an open mind to change in course of time.

The University under the national scheme is built up of five constituent colleges, namely, Dhanamanjuri College of Science (D.M. College of Science), Dhanamanjuri College of Arts (D.M. College of Arts), Dhanamanjuri College of Commerce (D.M. College of Commerce), Ghanapriya Women’s College (G.P. Women’s College) and Lairenmayum Sheibyashachi Law College (L.M.S. Law College), all of which occupy common, adjoining or neighbouring physical spaces.

Dhanamanjuri University is situated at the heart of Imphal City and the campus is bounded by National Highway No. 2 in the East, Thangmeiband Road in the West and North, and the Naga River in the South. Ghanapriya Women’s College is located at the South West of Kangla, the Old Palace of Manipur near the Raj Bhavan and L.M.S. Law College is located just in front of the University campus crossing the National Highway No. 2.

FACILITIES/SUPPORT SERVICES

STUDENTS HOSTELS:

The College has two Hostels - one for Boys and another for Girls having capacity of 60 and 100 respectively. These hostels provide affordable and homely stay for the students coming to learn from different parts of the state, providing a serene and congenial environment for learning. The affairs of the Hostels including the admission process are managed by the College Hostel Management Committee.

COLLEGE CANTEEN:

The College has its own smoothly-run canteen which provides necessary eatables (tea, coffee, snacks and other beverages) serving the needs of the students as well as the staff members.

NATIONAL CADET CORPS (NCC):

National Cadet Corps has been in active organization in the College since 1954. Cadets from the college are regularly participating in the various camps both national and local. Military training as well as social service training is provided through NCC activities. The College has produced a large number of 'B' and 'C' Certificate holder cadets.

NATIONAL SERVICE SCHEME (NSS):

The College has two units of National Service Scheme to impart a social sense of responsibility to the students through a variety of social welfare and developmental activities such as adult literacy, child welfare, relief and assistance programmes.

COLLEGE MAGAZINE

The Students' Union under the authority and supervision of the College regularly publishes an Annual Students Magazine to cater to the need for creative and critical expressions of the students on a variety of areas. It provides them a literary canvas and wings for their creative faculties to groom and nourish.

PERSONALITY DEVELOPMENT CLUB

The college has a student-run Personality Development Club, under the auspices of the Principal, which is engaged in motivating and promoting extra-curricular activities among the general students in their endeavour of acquiring perfect personality. It provides a proper platform for the students to express themselves and mingle freely with their counterparts. The students participate with enthusiasm in the various programmes such as Symposium, Debate, Recitation, Quiz competition and Essay writing completion. The Club serves as a useful forum for acquiring and expressing the ability of critical reasoning and questioning by organizing and participating in multifarious student-related activities including social outreach events like visits to children homes and blood donation camps.

STUDENT FEEDBACK FACILITY

The College provides enough room for the provision of student-feedback at the departmental and the institutional levels on aspects of teaching, students-services and institutional infrastructure in the direction of constructive review and improvement. Such feedbacks from time to time help in course-correction thereby improving the academic atmosphere and the proper functioning of the administration with utmost transparency. Preparation for SMART Classes has begun.

COLLEGE UNIFORM

The College has a common uniform for boys and girls respectively with an objective of making separate identity in the presence of others and oneness among themselves. The students have to wear the college uniform compulsorily while coming to college for attending classes, function and taking university and college examinations.

COMBINATION	BOYS: (formal) Blue black trousers, white shirt, black shoes and black socks.
