Number of pages in this Test Booklet:

Time: 2½ hours

Maximum Marks=100

INSTRUCTION TO THE EXAMINEES

1. The duration of the examination is 2½ minutes.
2. The question booklet consists of 25(twenty five) multiple choice type questions, each carrying 2(two) mark and 5(five) descriptive questions of 10 marks each.
3. **Using mobiles (or any communicating device) inside the examination hall is strictly prohibited.**
4. A simple calculator may be used.
5. Choose the most accurate answer/option of each question and write the option letter (a/b/c/d) in the box provided in the **Test Booklet** and for the **descriptive questions, answers are to be written in the space provided**. Answers should be written with **blue/black ball point pen** only.
6. **Any correction/overwriting on the part of the examinee shall render the respective answer invalid and no credit shall be awarded to those answers.**
7. Nothing should be written/marked on the answer sheet except the entries & answers that are demanded. Any calculations etc., if necessary, are to be made on the blank spaces of the question booklet.
8. After the end of the test, the candidates should submit the test booklet to the invigilators.
9. Any form of indiscipline, on the part of the candidates, may amount to his/her disqualification from the entrance test.
10. In the event of any dispute/controversy, the decision of the Pre-Ph.D. Admission Committee (Env. Science Department) Dhanamanjuri University shall be final & binding.
